

To whom it may concern:

My name is Mike Street, I am a lifelong resident of Cowlitz County.

I have been involved in the community through various civic and youth organizations, including, Cowlitz Jr Buddies and many youth sports programs in the capacity of being a board member or a coach, in addition I am currently part of a committee resurrecting Archie Anderson Park to " bring baseball back to the neighborhood " we call our program Central Sandlot Baseball.

In my years living in Cowlitz County, I have seen and lived through the ups and downs of the area.

My belief is that if a community stands together and focuses on the goals intended for the betterment of the area, we will all succeed and thrive to live in a better place.

I stand behind and support Justin Brown as our next District 2 county commissioner. Justin is experienced, honest and dedicated, he will do what is needed for the "big picture " of our county while envisioning long term goals and aspirations.

I urge you to learn a little about Justin, get behind him for his campaign as county commissioner for a better Cowlitz County.

Respectfully and sincerely submitted ;

Mike Street  
Longview Wa
